

Freudenberg & Co. KG

Supply Chain Excellence Programme

Contact

Freudenberg: Dr. Martin Stark, CEO and Managing Director
ZLU: Dr. Michael Debuschewitz, CEO and Managing Director

Freudenberg & Co. KG establishes a group wide “Supply Chain Excellence” Programme

Assignment

- Establishment of a central SCM function for the coordination of the SCM Excellence activities within the group
- Establishment of a SCM reporting system for the top management of the group and its subsidiaries
- Establishment of a SCM networking system for the subsidiaries

Success Factors

- Interim management to implement a SCM coordination function on the group level
- Creation of a standardised SCM reporting system for the top management of the group
- Evaluation of the SCM programme readiness of the subsidiaries in cooperation with their respective management
- Establishment of SCM networking activities between the management of the subsidiaries

Delivered Results

- Establishment of central SCM coordination function, group SCM reporting system and group networking and hand over to new SCM Programme Manager
- Evaluation of SCM programme readiness of the subsidiaries, clear and differentiated illustration of SCM status, and definition of fields of action for the subsidiaries
